Maritime Usedom

The waters around Usedom are popular with lovers of water sports. A total of 38 large and small marinas or ports promise best conditions and offer a wide choice of berthing places. Some have modern 5-star-standard, but you can also find small hidden natural harbours and resting places for canoe campers. The best known marinas of the island are those in Ückeritz, Zinnowitz, Krummin, Karlshagen, Peenemünde, Kröslin on the mainland and the harbour of the Polish Świnoujście.

Those without a boat of their own don't have to be left stranded. Cruising trips are on offer both on the Baltic Sea and on the Achterwasser Lagoon. Zeesenboot-trips start in the harbour of Krummin and excursions with the sailboat "Weiße Düne" put out to sea from Neppermin, Karlshagen or Wolgast. Motor vessels set off from Stagnieß, Zinnowitz and Peenemünde or from the piers of the Three Imperial Spas.

Chartering Electric Yachts on Usedom

Whether visitors like it sporting and dynamic with a harpoon in hand or elegant and secluded, the waters of Usedom can be explored on a hired e-vessel, environmentally sound and without license. All boat types of Wasserlinie Häfen GmbH may be recharged at stopovers in ports and marinas. The base for such trips is situated in the marina of Ückeritz. With e-vessels you can also put into harbour at Stagnieß, Balm and Neppermin. Additionally in these harbours you have the opportunity to hire a boat with a skipper for individual outings round and about the island.
